MEMORANDUM FOR: [redacted]
Executive Officer, Office of SecurityFROM: [redacted]
Community Counterintelligence and Security
Countermeasures Office, IC Staff

SUBJECT: Project Slammer Working Group Meeting [redacted]

REFERENCE: Conversation, [redacted] dtd 11 Jan 88

1. [redacted] Director of Project Slammer, visited our office recently for discussions of the program. He announced that the next meeting of the Project Slammer Working Group would be 17 February here at the Ames Building. The group will be meeting all day, from 0900 until 1730, with breaks for lunch and shorter periods during the day. The room number is a bit uncertain. Our CCISCMO Conference Room (1015) is a certainty but we would prefer a larger room and will continue attempts to obtain one on another floor. [redacted]

2. The working group will be discussing the events scheduled for the year ahead and summarize the activities and developments to date. [redacted] extended an invitation to [redacted] to come to the meeting at any time during the day to meet the project participants and get an update on the intended actions for the future. No formal briefing was intended but rather a casual, informal, but informative meeting with [redacted] would be of mutual benefit, [redacted] thought. He said if [redacted] could spend about an hour with the group it would show the participants the interest of the sponsor and give the sponsor an opportunity to meet the "players" and get a feel for their motivation and interaction. [redacted]

3. Per our conversation, we would appreciate it if [redacted] and/or [redacted] could accept the invitation. It is requested that you advise this office, [redacted] or myself, when you learn if the named invitees will be able to attend and at what time both, or either, could be present at the meeting. [redacted]
